931.4375P	Paging
931.6875P	Paging
931.8875P	Paging
931.9375P	Paging

NOTE: All these frequencies and notes have been gained from my own personal monitoring. I invite your input, corrections and updates. I do ask, however, that you NOT steal my information. As you can see, I put many hours of effort into listening and studying these systems. I invite your participation!
