**NOTE:** All these unique frequencies and notes have been gained from my own personal monitoring during my many visits to the Twin Cities in Minnesota. I invite your input, corrections and updates. I do ask, however, that you NOT steal my information. As you can see, I have put MANY hours of effort into listening and studying these systems. I invite your participation! If you are interested in sharing information with other scanner hobbyists in Minnesota, I suggest you join my listserv, called **ScanMN**.
